

FRONTRUNNER 2015-2016

We are excited to announce that we will continue Spectrum Academy's FrontRunner Transportation Program. We will be changing some aspects of the program for the upcoming school year.

Through a lottery system, we will be accepting 38 students. If you are interested in entering the lottery please fill out the attached Google Form with all information. You will be notified by Thursday, August 20th if your student has been accepted for the FrontRunner Transportation Program.

The Spectrum Academy School Bus will pick up students from the Woods Cross station.

SOUTHBOUND needs to arrive at the station by **8:20am**

NORTHBOUND needs to arrive at the station by **8:12am**

If your student does not arrive at the designated pickup time, Spectrum Academy is not responsible for transportation from the Woods Cross Station to Spectrum Academy. (This does not include delays caused by FrontRunner itself)

At the end of the day students will remain in their advisory class until FrontRunner is called for. Then, the Spectrum Academy School Bus will transport students from Spectrum Academy to the Woods Cross station to depart at:

	Monday-Thursday	Friday
SOUTHBOUND	4:20	1:50
NORTHBOUND	4:12	2:12

There will no longer be chaperones on the FrontRunner coming from either Southbound or Northbound. Support for students on the FrontRunner will be UTA.

If a student displays a behavior that is not in compliance with the behavior expectations, behavior support will be addressed on an individual basis. An example of a plan to address a significant behavior problem is being placed on probation for two weeks. If they show no further behavior they will be taken off probation. If behavior continues they will lose the privilege in participating in the FrontRunner Transportation Program.

It is the parent's judgment for the student's ability and capability to **ride the train independently and get on the bus independently**. There will be **no chaperones on the FrontRunner platform** while waiting for the bus to arrive. Spectrum Academy accepts no liability or responsibility until they are on the Spectrum Academy Bus.

There is no cost for this program.
