Spectrum Academy offers parents and guardians a variety of volunteer opportunities, which allows you to be a part of your child's educational experience. Parent involvement is an important component of our charter. Families are invited and encouraged to volunteer throughout the school year.

To streamline the volunteer process, please complete the information on the following page- even if you are not sure what, if any, volunteer opportunities you may be able to participate in. Filling this section out is **not a commitment**, but will provide the required information for all of our volunteers, and will allow you to be available for any volunteer opportunities you choose. If you have any question, please contact the front office.

Thank you for your time and support!
