

School Land Trust Plans- 2024-2025

Approved by the Board of Directors on March 20, 2024

Pleasant Grove

Goal: With the purchase of new English/language arts curriculum that is based on the science of reading, and teacher training on the new curriculum, each grade in K-5 will increase the percentage of students making adequate or above progress by 5% from BOY to EOY, as measured by Acadience reading assessments.

Action Steps:

1. We will order K-5 CKLA curriculum by March 30, 2024 (92,524.06)
2. Teachers will be trained on the new curriculum by July 30, 2024 (12,083.12)
3. New ELA curriculum will be implemented with K-5 students beginning in August of 2024
4. Acadience benchmark testing will be conducted at BOY (by September 30, 2024), MOY (by December 20, 2024), and EOY (by May 15, 2025)
5. Data will be reviewed and analyzed. Report of progress will be provided on the School Land Trust Final Report for 2024-2025.

North Salt Lake

Goal: With the purchase of new English/language arts curriculum that is based on the science of reading, and teacher training on the new curriculum, each grade in K-5 will increase the percentage of students making adequate or above progress by 5% from BOY to EOY, as measured by Acadience reading assessments.
